Drop Deadline

- Per Title 5 and State Attendance Accounting guidelines, faculty are required to clear their rosters of inactive enrollment as of the census date.
- The census date for Interession classes will generally fall on the first or second class meeting.
- A calendar for each class is provided via the online drop sheet and shows the specific deadlines for each class.
- Be reminded that drops must be **submitted online by close of business on the census date** or students will receive a "W" on their record.
- To accommodate classes that meet in the afternoon or evening on the census date, drops submitted **on** the census date will post as "W" on the online drop sheet but will process as a drop on the student's record.

Grades

- Interession grades are due Feb. 2, 2018; however, faculty are encouraged to submit their Interession grades by January 26, 2018 to clear prerequisites for students taking Spring 2018 classes. **NOTE: The Jan. 26 date does not pertain to the 6-week Interession classes that meet Jan. 2 through Feb 10, 2018.**
